

Soil Science Society of Georgia
Annual Meeting February 20th and 21st, 2012
Georgia State Botanical Gardens Athens, Georgia

Poster Invitation

At the Annual Meeting of the Soil Science Society of Georgia we would like to have members and students present soil related posters or soil related exhibits. The posters may range up to size of 48 inches high by 48 inches wide and meet the same standards as the Soil Science Society of America posters. You may present posters that have been exhibited elsewhere. However, this is an informal organization and other posters and exhibits such as interesting soil maps, soil samples, soil instruments, soil photography (well you get the idea) are very welcome. Often we work alone and this is a chance to share information or just have fun.

This year there will be cash prizes. First prize is \$300, second prize is \$200 and third prize is \$100. This is also good recognition and practice for student presenters.

Please reply by February 2nd, 2012 to SSSGA, PO Box 1821, Athens, GA 30603 or email soilscienceinc@hotmail.com
