

## 2006 National Soils Competition

The University of Georgia Soil Judging team competed in the National Soils Contest hosted by California Polytechnic State University in San Luis Obispo, CA on March 23 and 24, 2006. The team placed 3<sup>rd</sup> overall and 3<sup>rd</sup> the team competition of the 21 teams from across the country that participated.

Team members included (L to R) Anthony McEver, an Environmental Soil Science major from Baldwin County; Tony DeMarco, an Environmental Soil Science major from Gwinnett County (7<sup>th</sup> high individual score); Gus McCormick, an Environmental Soil Science major from Bullock County; Charles Moore, an Environmental Soil Science major from Hart County; and Andrew Croy, an Environmental Soil Science major from Forsyth County. The San Andres fault is at the foot of the hills in the background.
